DATA WORKSHOP

HONOR CODE CERTIFICATE

THIS CERTIFICATE CONFIRMS THAT

MARIUSZ KLIMCZYK

has successfully completed the

DWthon | Software 3.0 (LLM Engineering) program

a 3-day course of study offered by DataWorkshop

THE PARTICIPANT DEMONSTRATED PRACTICAL SKILLS IN:
designing production-ready LLM pipelines, including work with Bielik LLM, structured outputs, validation, retry logic, and deterministic behavior, treating LLMs as software components rather than chat interfaces.
